

The University of
Nottingham

Nottingham/Bologna Breast Pathology Masterclass 2017

This is a conjoint meeting of the
Departments of Pathology of the Universities
of Bologna (I) and Nottingham (GB)

Venue:
University of Bologna, Bologna
Italia

6th-7th June 2017
08.30am-17.30pm

Day 1

Theme of the Day: Challenging Breast Lesions

Time	Speaker	Topic
08.30		Registration and coffee
08.55	VE	Welcome
09.10	ER	IHC in breast pathology: Applications in the era of molecular tests.
09.45		Discussion
09.50	EP	Invasive lobular carcinoma and its variants.
10.20		Discussion
10.25		Coffee break
10.55		Presentation of the Digital Pathology tool (10 minutes). Slide seminar 1: View of the cases and case discussion.
12.00	MPF	Challenging breast lesions: Tumours with myoepithelial phenotype and salivary gland-like features.
12.35		Discussion
12.40	VE	When <i>in situ</i> is not <i>in situ</i> and vice versa.
13.10		Discussion
13.15		Lunch
14.10		Slide seminar 2: View of the cases and case discussion.
14.40	AS	Neuroendocrine tumours of the breast.
15.05		Discussion
15.10	MPF	Challenging breast lesions: Uncommon but tricky breast lesions.
15.25		Discussion
15.30	AS	Challenging breast lesions: Male breast cancer.
15.50		Discussion
15.55		Coffee break
16.25	IOE	Diagnostic pitfalls in breast pathology.
16.55		Discussion
17.00	VE	Slide Seminar: Cases from Azzopardi's collection and case discussion Azzopardi's collection is located in the Institute of Pathology of Bologna University and consists of over 3000 slides of breast lesions as well as 1500 slides of salivary gland and skin tumours.
17.40		Close

Day 2

Theme of the Day: Keys Issues of Clinical Relevance in Breast Pathology

Time	Speaker	Topic
08.30	Registration and coffee	
8.45	IOE	British breast pathology EQA: identification of diagnostic challenges.
09.05		Discussion
09.10	GS, EP, ER	Session 1 Keys Issues of Clinical Relevance in Breast Pathology*.
10.50		Coffee Break
11.20		Slide seminar 3: View of the cases and case discussion.
12.30		Lunch
13.20	EP, IOE, MPF, Erb	Session 2 Keys Issues of Clinical Relevance in Breast Pathology**.
15.00		Slide seminar 4: View of the cases and case discussion.
16.00	ER	An update on the prognostic and predictive factors in breast cancer.
16.30		Close

AS: Anna Sapino; VE: Vincenzo Eusebi; IOE: Ian Ellis; EP: Elena Provenzano; ER: Emad Rakha; MPF: Maria Pia Foschini; GS: Gianni Saguatti.

*Session 1

GS: Discussion of 4 cases with the relevant radiological findings (45 minutes).

EP: Breast cancer and pregnancy (20 minutes).

ER: New insights on fibro-epithelial lesions (20 minutes).

General discussion (15 minutes at the end).

**Session 2

EP: Markers evaluation on core biopsies for neoadjuvant therapy (15 minutes).

EP: Androgen receptor and the biomolecular profile of breast cancer (15 minutes).

IOE: The prognostic value of HER2+ (can it be a new category?) (15 minutes).

IOE: The concept of BRCAness and the role of pathologist on its evaluation (20 minutes) (20 minutes)

MPF: New insights on sentinel node evaluation (20 minutes).

Discussion (10 minutes at the end).

Faculty

Ian O Ellis: Dept Histopathology, University of Nottingham (UK);

Vincenzo Eusebi: Dept of Pathology, Alma Mater Studiorum, University of Bologna (Italy);

Maria Pia Foschini: Unit of Pathological Anatomy Histology and Cytology "Marcello Malpighi", Alma Mater Studiorum University of Bologna, Bellaria Hospital, Dept of Biomedical Sciences and Neuromotor (Dibinem), Bologna (Italy);

Emad Rakha: Dept Histopathology, University of Nottingham (UK);

Elena Provenzano: Dept Histopathology, University of Cambridge (UK);

Anna Sapino: University of Torino, IRCCS Candiolo, Torino (Italy);

Invited speaker:

Gianni Saguatti, Breast Unit, Bellaria Hospital, ASL Bologna, Bologna (Italy).

Scientific Information:

All cases presented in each seminar will be illustrated by digital slides. The participants will receive the slides before the course.

CME Accreditation the Nottingham/Bologna Breast Pathology masterclass 2017 will be granted by the Italian CME credits.

Scientific Coordinators: Maria Pia Foschini, Bologna (Italy) Emad Rakha, Nottingham (Uk).

Organizing secretariat: Catherine Douglas-Morgan, Elisabetta Carlino.

Meeting Venue: Relais Bellaria Hotel & Congressi Via Altura, 11/bis - Bologna (Italy)

Registration:

In order to register, please fill in the attached form and send it to the organizing Secretariat.

Registration will be valid only upon receipt of the full payment.

Registration deadline 1st April 2017.

Registration Fees (EURO/VAT incl.):

	Before 30 th March 2017	After 30 th March 2017
Registration comprising admission to screens	395 euro	420 euro
Registration no screen access	250 euro	300 euro

All Registration fees include: • Admission to all scientific sessions • CME Credits • Congress kit • Breaks and lunch.

Registration and fee payment: please see

<https://nottinghambreastpathologymasterclass.com/registration/>

Request for VAT exemption only for Italian public institutions (art. 10 paragraph 20 D.P.R. 637/72). Italian public institutions registering participants can request VAT exemption on the registration fee. They must tick the appropriate space on the registration form and stamp it with their official stamp mark. Requests without an official stamp mark cannot be accepted. It is not possible to ask for a reimbursement of VAT once payment has been done. Important note: the registration fees are VAT included. The institutions that require the VAT exemption must deduct VAT (22%) from the registration fees.

Cancellation

Any cancellation must be notified in writing to Catherine Douglas-Morgan in case of cancellation before April 1st, 2017 we will refund your registration fee minus 50% charge for administrative proceedings.

Hotel Accommodation: For any request of accommodation please contact the organizing Secretariat that has a partnership with Relais Bellaria Hotel & Congressi (www.hotelrelaisbellaria.com). The agreed price per room (single use) is 72,00 Euro, double room is 82,00 Euro (breakfast and VAT included).
